

Policy Statement - COSHH

Control of Substances Hazardous To Health Regulations 1988

This Company will take all reasonable steps to meet its obligations under the COSHH Regulations, paying particular attention to the provision and maintenance of:-

Sufficient information, instruction, training and supervision to enable all employees to avoid hazards to health.

Assessment of hazards to be an on-going feature of management responsibility with regular reviews being carried out by our Health & Safety Officer.

It is the company's policy to exercise the fullest co-operation with our clients to secure the health and safety of all our employees. Chemical data sheets covering each product are available.

A handwritten signature in black ink, appearing to read 'Neil Webb', is positioned above the printed name.

Neil Webb
Managing Director
